

As a member of the community with K-Love on the radio to hear, it is the only station worth listening to on the radio. It is wonderful to have a radio station to listen to without worrying about language. If K-Love would be removed from the radio the community would suffer, the many families who listen safely to this radio station would suffer. This station provides announcements for local churches and an honest reporting of the news and it also reports about misitries and how God is being seen across the United States. Other Stations do not do this and it would be a great shame if God is removed from the radio. Please keep K-Love on the radio. It is the only reason I listen to the radio now a days.
